

Important Notice

Please Pickup After Your Dog

We are noticing that not everyone who walks their dog picks up after it. Not only is this practice unsightly, unhealthy, and smelly, the lawn crew and anyone else can step in this mess and track it everywhere.

Per City of Titusville Code of Ordinance Section 12-29: All pet owners are required to immediately and properly dispose of their pet's solid waste deposited on any property, public or private, not owned or possessed by that person to prevent a public nuisance.

Per Section 1-15 Enforcement/Penalties: The violation of this Code shall be punished by a fine not exceeding five hundred dollars (\$500.00) or imprisonment for a term not exceeding sixty (60) days, or by both such fine and imprisonment.

Please Do Not Feed the Feral Cats

It has come to our attention that there are numerous feral cats in the neighborhood. The cats are creating a nuisance on some of the properties because the male cats spray the door mats which leaves a terrible odor.

Please Do Not Feed the Squirrels

The squirrels are causing a nuisance because they can work their way inside an attic, fall into the walls, and create a hazard by chewing on the electrical wires. The risk of rabies or other diseases is not worth it. Let nature's creatures take care of themselves.
