

Neighbors Helping Neighbors

There has been some malicious crime in the neighborhood - mostly car break-ins and vandalism.

Since the lighting in the area is limited, we are asking everyone to keep their outside lights on from dusk to dawn. This will help as a deterrent to those whose intentions are less than admirable.

If you see or hear something that just isn't right, please call TPD and report suspicious activity.

Let's be neighborly and look out for each other.

Thank you,

The Board of Directors
